Membership

JOIN US!

ALL PUBLIC LIBRARIES CAN JOIN CSLP, AND ODDS ARE YOUR LIBRARY IS ALREADY A MEMBER!

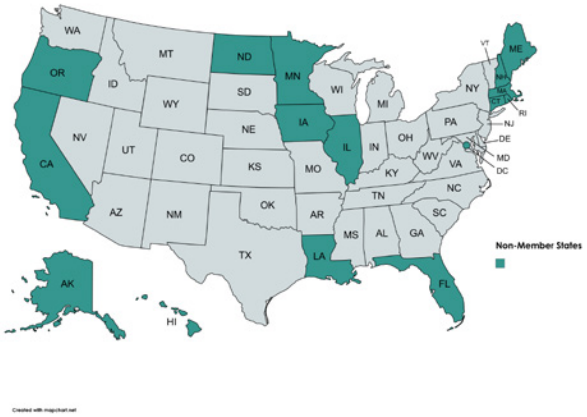

MEMBER STATES

These states and selected territories purchase membership for all the public library outlets in their state/territory (we use the **IMLS definition of a public library outlet**). The cost for statewide membership is discounted at a base rate of $65, plus $2 for each library outlet annually so there is significant cost savings in being a member of CSLP. Most states also purchase an online manual for every public library outlet in their state, also at a heavily discounted rate.

- **Contact your State Rep for more info** on accessing the current year's online manual and other summer reading benefits. They will provide your state's password and a link to access it.
- Contact **custserv@cslpreads.org** with other questions about being a public library in a member state.

NON-MEMBER STATES

Public libraries in non-member states may join CSLP annually for a $20/per outlet membership fee. Discounts available for multi-branch systems in non-member states. Membership fees are separate from access to our online manual that includes all theme materials needed for a great summer program. This includes professional artwork, trademarked slogans, programs, a social media toolkit, public service announcement videos that can be customized, Canva templates and much more. You can purchase your library's annual membership and manual access here: **https://www.cslpreads.org/join-cslp/**

MYSTERIES AWAIT at YOUR LIBRARY™

Once the purchase is made, a password with access instructions will be sent to the email address you used to place the order. **Questions? Contact custserv@cslpreads.org or call customer service for assistance at (866) 657-8556.**
